Commissioner for Patents

The reply filed on May 5, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Despite applicants' response, it is not seen that the amendment or argument has addressed the examiner's concerns with respect to the rejection under 35 USC 112, first paragraph, pertaining to the NCO% content of claim 43, set forth within paragraph 5 of the Office action of March 15, 2004. The rejection specifically addresses the lack of support for stating that the mixture of reactants has the specified NCO% content, and it is not seen that applicants' amendment has addressed the issue to any extent. The amendment no more clarifies the issue than did the previous claim language. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to R. Sergent at telephone number (571) 272-1079.
